

ÜBERMERKEL – VERTRAUTE ERZÄHLEN

Angela Merkel was German Chancellor for 16 years. The first. At the end of 2021, she vacated her post and a man took office. What remains of her? What was she like as a boss, as a friend, as a feminist? Stern editor-in-chief Anna-Beeke Gretemeier meets with companions of Angela Merkel. The conversations about the chancellor paint a very personal audio portrait.
